Maroochy Surf Club

Congratulations!

Congratulations on your engagement, and thank you for considering Maroochy Surf Club as a possible venue for your special day.

Our beautiful function room is located on our top floor with floor to ceiling windows that give your guests stunning, uninterrupted views Noosa to Mooloolaba.

This central Sunshine Coast location has many nearby accommodation options and offers countless stunning photo opportunities all within 15 minutes of the airport.

Considering a ceremony at one of the many beautiful outdoor locations nearby? No need to worry about the weather affecting your special day. We offer a wet weather back up option in our beautiful function room at no cost if you choose one of our wedding packages.

Our expert team will work with you to create a tailored wedding package . It is our passion to ensure your wedding is everything you dreamed it would be!

To arrange a viewing of our beautiful venue, please contact our Functions & Events Manager:

- ♥ *Wedding package minimum numbers apply*
- ♥ *4 hours notice required from ceremony start time*

Maroochy Surf Club

The next step.....

Choosing your reception venue is probably the hardest, but most important decision you will make in planning your wedding day, so please allow us to make things as easy as possible for you!

If you like what you see in our packages, and would like to discuss your options further, please contact us to arrange a time to meet in person. We are happy to tailor a package to suit your needs, wants, and budget.

We can put a tentative hold on a date for 1 week, at which time a \$500 deposit and signed agreement is required to secure the date.

Our experienced Functions & Events Manager will take the stress out of your wedding reception planning and assist you with all aspects of the most important day of your life!

These prices are valid for wedding receptions held prior to 31st December 2018

All prices subject to change without notice

To arrange a viewing of our beautiful venue, please contact our Functions & Events Manager:
