#### What is it all about?

The Breaka Youth Excellence Program is designed for members aged 15 – 17 years and plays an important role within Surf Life Saving Queensland’s development charter. Clubs should encourage members who are registered Active Cadets or Active Juniors who show a genuine interest in Surf Life Saving and its future to apply for the 2.5 day program. The aim is to have two participants from every club attend so please promote the program as broadly as possible.

The Breaka Youth Excellence Program provides an opportunity for youth members to be exposed to the many different elements of Surf Life Saving. Youth Development is about providing our young people with positive experiences and opportunities which enhance their strengths and capacity as well as affirming them as contributors to our community and shapers of their own future.

It is designed to provide youth with knowledge, experience and allow them to develop skills in a wide range of activities in an enjoyable and stimulating environment. The program is structured to develop maximum participation, confidence and leadership in all participants. As well as introducing the participants to the more formal and responsible roles of Surf Life Saving such as patrol captaincy, responsibilities of positions, and future pathways etc.

### When & where is it?

Participants will eat, sleep and breathe the 2018 Breaka Youth Excellence Program from Friday 6 to Sunday 8 July 2018, at Camp Laurence, Lake Moogerah.

### How much will it cost?

We love to give our members every chance of attending State programs so we have significantly subsidised this program.

The cost to participants will be \$250.00 per person (GST Exclusive). We hear that most Clubs fund the program for members to attend as it is a worthwhile opportunity for them to learn and be able to give back to the Club, so we strongly encourage Clubs to consider this. Fees will cover meals, use of equipment, program pack and accommodation.

This cost will also cover the return bus fare for Point Danger Branch, South Coast Branch and Sunshine Coast Branch participants. For North Queensland, North Barrier and Wide Bay Capricorn participants this cost will cover the transfers to/ from the Brisbane airport and 50% of air travel costs.

Successful participants will be notified via email along with further information pertaining to the program. Any participant who withdraws after being selected will still be invoiced for the full cost of the program.
