# President's Report

## Steve Wieland

The 2016-17 season has ended and I am proud to report that no lives were lost between the flags on Maroochydore Beach.

Our club is committed to saving lives, and this season completes 101 years of fatality free bathing for our club members and the public.

The club's Patrol Captains continue to perform their role in an excellent manner. A role that is sometimes not always understood by others. It involves significant responsibility to manage our members who perform the patrol activities, and important decision-making when rescues or other challenges arise. Each Patrol Captain gives our club and the lifesaving movement the credit of their services, which many members of the public and community regularly acknowledge.

Members who have joined this season – Welcome. I wish that your time volunteering for our club gives you much enjoyment. There are many opportunities to be actively involved and I encourage you to consider the variety of different areas where you can further involve yourself in our club and in lifesaving. Membership to Maroochydore is something very special and should not be taken for granted. I urge every member to continue their contributions which benefits Maroochydore SLSC and the broader community, not just for next season but for many seasons ahead.

### Board of Management

As the season closes I would like to acknowledge the contributions of all members of the Board of Management. Effective management of the Surf Club and the Supporters Club is essential for Maroochydore to continue its operations. Only through these individual's efforts and the collective knowledge of this group can success be achieved. The past season has required your Board of Management and Supporters Club Board to make, at times, challenging decisions in some areas, but such decisions are made after careful consideration.

I would like to acknowledge my past Deputy President, Wade Lee, who resigned during the season to accept an opportunity for career promotion. Wade offered the Surf Club and Supporters' Boards many years of experience in lifesaving and running surf events, which was fuelled by his passion to make Maroochydore successful. Paul Thomas was duly appointed as the new Deputy President and has given the Board steady advice since joining. To Wade and Paul, who are both Life Members of the club, thank you for the knowledge and support given to me and our fellow Board members.

### 2017 Aussies

The 2017 Aussies will be one carnival that will not be

forgotten for a while. Due to unfavourable weather conditions, some of our members did not get a chance to do their water and craft events and missed the opportunity to showcase their skills. Competing at the Aussies is the pinnacle for our competitive members and unfortunately for many this opportunity was denied. To every competitor for Maroochydore I want to thank-you for your commitment to your training and willingness to represent the Black Swan in the 2016-2017 Season. Next year we will take it to Perth and show that the Black Swan still flies.

### 2017 Summer Surf Girl

This season our Summer Surf Girl, Darcey Starr-Thomas, has had a hectic 12 months. Congratulations to Darcey and her Committee for the fun events held and for the money raised that will be going into vital lifesaving equipment and gear. Darcey raised \$27,500 for Maroochydore and is in good company as over a period of 53 years the annual Summer Surf Girl event has raised \$15.7 million in Queensland. All money goes directly back to the participating surf lifesaving club. Summer Surf Girl is an event which the whole surf club can get involved in, and our Surf Girl Committee will be seeking the next Summer Surf Girl to represent us.

### Season Highlights

So many highlight's this season, a great club with excellent members. A snapshot of some of the club's activities in 2016-17:

- Life Member, Glynn Topfer awarded an OAM for services to lifesaving, and the club launched IRB 'Mr Toppy' in his honour
- Congratulations to our Australian and Queensland Team Representatives Pam Hendry, Sam Bell, Chelsea Gillett and Cody Rychvallysky all selected in the Australian Lifesaving Team to contest the 2016 Lifesaving World Championships in the Netherlands
- Alyce Burnett who represented Australia at the 2016 Rio Olympic Games, competing in the K2,500m
- Jordan Wood who represented Australia at the 2016 Rio Olympic Games, competing in the K4 1000m and the K2,200m
- New Surf Boat "Robbie T" named in honour of our late, great competitive member Robert 'Bongo' Thomasson
- Ben Ellwood awarded 18-25 Young Lifesaver of the Year at the Sunshine Coast Branch and State Award Nights.
- Completed the 19th season of the Shimoda LSC and Maroochydore SLSC Member Exchange Program
- U17 female team won the club's 1st Australian Championship in March Past
- Combined Lifesaving and Supporters Board commenced mapping out the next 5 Year Strategic Plan 2017-2021

and gave the initial presentation to membership

- Refurbishment of the BBQ and undercover area on the northern end of the club
- Another year of successful fundraising for the club with Summer Surf Girl, Surf Safe Appeal, Sports Lunch, Maroochydore SLSC Race Day, January and Mid-Year Golf Days, and 10,000 Draw
- Grants Officer Kim Musgrove has again successfully secured funding for the club for IRB hulls, trailers, and lifesaving equipment.

So how do we get so much done in a season. Through the dedication of a great band of volunteers ably supported by the club's Administration team. General Manager,

Lindsey Palmer, and the lifesaving staff continue to handle the many varied tasks required by the club. They help supports the maintenance of the club's lifesaving services at Maroochydore, plus all administration and marketing aspects of Surf Sports, Junior Activities, Marketing and Promotions and Membership Services programs. Thank you, Lindsey, and to your team, your friendly and helpful approach is greatly appreciated.

As the season finishes I am very proud that Maroochydore SLSC has kept the great tradition of 'No Lives Lost Between the Flags' and I thank every Volunteer Patrol Member for a great season.

See you on the beach!

STEVE WIELAND, FIONA SIMPSON MP, MAL PRATT, GRAHAM FORD AM

# Board of Administration and Membership Report

Narelle Souter, Director

As another season on the beach closes, it is time to reflect on the many achievements of the year in all sections of our great club.

## Membership for the 2016-2017 season comprised:

Probationary	14
Junior Activity (5-13 yrs.)	263
Cadets (13-15 yrs.)	72
Active Junior (15-18 yrs.)	29
Active (18 yrs. t+)	140
Award (Radio, First Aid)	24
Reserve Active	3
Long Service	85
Past Active	4
Associate	252
Life Members	53
Honorary Vice Presidents	128
Leave / Restricted	1

Membership numbers increased by 38 from last year. Patrol-active members equal 268, an increase of 8. Transfer applications processed for the season were: Transfers In – 46, and Transfers Out- 66.

## FUTURE STRATEGY

In November 2016, the BOM engaged Astute Consulting to facilitate 3 workshops. Members of the Boards of Surf Life Saving and Supporters Club worked together to set their Future Strategy vision for 2017-2021.

An environmental scan of the membership was completed using SurveyMonkey and the confidential responses given to the working group. Together the Boards completed a SWOT analysis of the club's current state and used all information available to develop a one page Strategy that states the Boards Mission, Values and Goals. This Future Strategic Plan was presented to membership in May 2017, and a second presentation to membership is scheduled for the July-September quarter.

The Boards continue to work on the Action Items Matrix that lists specific steps to monitor progress to achieve the plan's objectives.

## MEMBER RECOGNITION

What an amazing group of people make up Maroochydore SLSC, all working together to make the club the best it can be. It is always difficult to single out individuals, but it is important that recognition is given to those who achieve at the highest levels.

Life Member, Glynn Topfer, was award an OAM (Medal of the Order of Australia in the General Division) for services to surf lifesaving. At club level Glynn volunteered for many roles; and managed to also fit in volunteering at SLSQ on the

BAIT Committee and various Surf Sports Committee roles.

Peter Lucas was granted Life Membership to SLSQ at their AGM, August 2016. Peter served as Director of Surf Life Saving for 10 consecutive years and continues his involvement at State level as well as performing patrols on Maroochydore Beach each season.

Congratulations to Ben Ellwood who was awarded Branch and State 18-25 Young Lifesaver of the Year in August 2016. Ben has worked hard as YDO to build a team of members who help run the monthly Youth Events, and build a strong network of friendships based around lifesaving.

Olympic Game selection is the pinnacle of sporting achievement and club members, Alyce Burnett and Jordon Wood, represented their country at the 2016 Rio Olympic. Congratulations on the success in your chosen sport, and the club is confident we will be watching you both race at Tokyo 2020.

## MEMBER DEVELOPMENT

Maddi Korac and Ollie Hoelscher attended the UQ-SLSQ Leadership Excellence Program in July 2016. 4 days of intense learning, fun-filled and creative team building and great networking opportunities with other like-minded surf life savers. They both give back to the club by sharing the knowledge learned with their peers, helping with YEP events and continuing to be part of the club's lifesaving service delivery.

The YEP program kicked off with 20 or so youth registering and working towards gaining their Bronze, Silver and Gold participation awards. Our hardworking Youth Development team organised events every month from July 2016. Activities ranged from rock climbing, IRB trip to Mudjimba Island, to casual in-house movie and pizza nights. The weekend camp at Rainbow Beach SLSC was a great success, and will be repeated in the coming season.

The club funded 11 youth members to attend the 2017 SLSQ Sunshine Coast Camp Commando held in January 2017. Youth members - Noah Andrew, Torren Bennett, Ben Colston, Kiara Kliese, Claudia Korac, Oliver Monaghan, Alex Pettigrew, Ashleigh Rainbow, Joshua Spencer and Lilly Andrew spent 3 days concentrating on team-building skills, lifesaving knowledge, providing information on opportunities and pathways both within and outside of lifesaving, and networking with members from other clubs. As a Leader, Tara Patrick got to go along a day earlier and set-up for the program.

In April 2017 Junior Captains, Oliver Monaghan and Lilly Andrew participated in the ANZAC Day March and wreath laying at Cotton Tree's Memorial. The ANZAC spirit remains in good hands with upcoming leaders Oliver and Lilley who

represented the strong link our club has with the returning WWI diggers.

Maroochydore SLSC has strong representation in the Branch, State and National associations. Those club members listed below freely donated their skills and services to the advancement of the lifesaving movement in 2016-2017.

- Laurie Murphy – Board Member Surf Life Saving Qld
- Dan Draper – State Medical Advisor
- Beau Farrell – Westpac Lifesaver Rescue Helicopter - Rescue Crewman
- Danny Short – Coach, Australian Surf Life Saving Team 2016, Netherlands
- Geoff Rowe – Branch Deputy Director Surf Sports (JA)
- Wade Lee – Branch Team Selector, SLSQ Sports Selection Panel Member.

**SERVING OUR COMMUNITY** A highlight this season was assisting Disability Surfing Australia (DSA) to run their program on Maroochydore Beach on 26 November. Maroochydore volunteers rolled out the mat, a special disability beach mat, and worked alongside DSA to keep their surfers safe in the ocean. The smiles on everyone's face, both helpers and surfers, were large. Just a wonderful day that reminded a lot of us why we volunteer – as volunteering makes the heart feel good.

**OFFICIAL CLUB PHOTOGRAPHERS** Gathering images to include in the club's Newsletters and Annual Report can be difficult. Luckily Kylie Short and Brett Shuttleworth help out by capturing those 'moments' on the beach and sharing them with the Lifesaving Administration team. Thank you both for the many hours you have spent walking up and down the beach recording our club's history.

**SURF SAFE APPEAL** continues to be a fundraising opportunity largely untapped. Total funds raised in October 2016 were \$6379.50. With the limited number of members collecting, it is disappointing how little support is offered particularly as funds raised will assist the Club to meet its financial commitments.

## CONSTITUTION

To date, the Constitution Review Committee has finished the Surf Life Saving Club's Constitution ready for comment by membership. It is scheduled to present to members in July-September this year. Rewriting the By-Laws is a large body of work and continues. Some draft By-Laws have been circulated to current Boards for comment and testing, i.e. By-Law 8 Club Awards & Member Recognition. Feedback

from the relevant Boards helps the Constitution Committee refine the content to meet club expectations.

Whilst at times progress can seem slow it cannot be overlooked that most club 'volunteers' work in full-time paid employment away from the club. I am grateful to fellow committee members Glynn Topfer, Paul Thomas and Life Governor Ralph Devlin for their help to finalise this job.

In closing I wish to thank my fellow Board members – Robin Smith, Ben Ellwood, Jodie Lee, Kerry Taylor and our regular visitors - Maddi Korac, Katrina Rooker, Jason Childs, Ollie Hoelscher, Kirk Williamson and Toni Pettigrew. Without their combined input and feedback the successes from this season would not have happened.

The support offered by Lindsey Palmer and his team takes a big load off the Board of Admin to fulfil their day-to-day tasks. Thank you, Jodie, Lauren and Chelsea, for always smiling and helping all club Board members and individual club members to complete any admin task demanded of us.

# Youth Development Report

Ben Ellwood

Before the patrols began and even now the season has concluded, Maroochydore's youth have come together to create a collaborative and cohesive youth movement with the launch of the Youth Engagement Program (YEP). Every third Saturday of the month since July 2016 a group of exceptional 18-25 year olds came together to prepare an event of enjoyment and inclusion. Each event saw a large group of cadets turn out every month, from every age group and persuasion of member. I believe the result of this has seen a tremendous increase in young member's knowledge of their peers, and reason for being a member of Maroochydore SLSC.

Skills and growth are an important part of our youth moving through the cadet ranks and the YEP program saw participation in a diverse range of areas of our volunteer club incentivised with a scoring system to be rewarded with club gear. Congratulation to Ash Patrick, Kalani and Kiara Kliese, Zane Baxter and all others who put in considerable effort through patrols, training and sports activities.

Spreading their cygnet wings and travelling out into the broader lifesaving community to exchange experiences is also an invaluable part of the continuing youth program. We saw the return of the Maroochydore's Cadet Camp at a new location, Rainbow SLSC for a weekend of volunteering and fun. Branch and State development camps also saw several of our cadets participate in multi-club networking events.

I would like to thank everyone for their terrific help throughout the year, particularly the BoMA, Jason Childs, Maddi Korac and Katrina Rooker.

## Summer Surf Girl

Darcey Starr-Thomas

If you told me that in as little as 12 months I would be standing in front of 400 people reciting a speech confidently, I would have told you to get out of town. There would be no way in the world I would get up in front of that many people. But the Summer Surf Girl program gave me the confidence to do this.

When I embarked on the Summer Surf Girl journey just over 11 months ago, I did so to find an avenue to become more involved in the surf club once again. But little did I know that through this program I would meet 12 beautiful girls that would become some of my good friends as well as gain the confidence in myself to achieve tasks that I never thought possible.

I'm not going to lie and say that there weren't my own personal challenges, but I believe these challenges made me stronger and more resilient as a person. For those of you that don't know what the Summer Surf Girl program entails, it is 12 months of fundraising and community awareness to support your club, as well as promoting female involvement in surf lifesaving. Through the 12-month journey there are workshops to help you personally grow and flourish.

The whole program leads to an end of season gala where we all get dressed up and share with our loved ones our journey, and celebrate a hard earned finish to the program. I believe that through this program I have created memories that will last for a life time.

I have had some great laughs with girls across Queensland that all share the same vision, and for this I am very grateful. For any girls that have considered doing the Summer Surf Girl program, I highly encourage it. It was one of the most challenging and rewarding 12 months of my life. I would relive it in a heartbeat.

# Mal Pratt Youth Development Foundation

## Shane Bridley, Foundation Chairman

At the lead into season 2016-2017 the Foundation had eleven beneficiaries who received support in the previous season (2015-2016), still active as club members in either Junior Activities(6), Youth(3), or Senior patrolling members/competitors(2).

For varying reasons, three of those beneficiaries from the Junior Activities ranks were unable to continue with the Foundation program, highlighting the difficulties that some of the youth/families involved face in their day to day lifestyles, whilst a further two of our active/patrolling/competition members have moved forward into a self-supporting role, and remained active within the club.

The Foundation is pleased to have provided support for those members at difficult times in their young lives, and to have witnessed them develop as strong club and community members. Thus we commenced season 2016-2017 providing support for six beneficiaries.

Of the three Junior Activities members, one in Under 14's has attained her Surf Rescue Certificate and commenced as a Patrolling Member of the club, whilst the remaining two continue to develop their swimming skills and participated in the Junior Activities program throughout the season.

Of the three Youth Members receiving Foundation support, all are now holders of their Bronze Medallion's and are active patrolling members, and two of that number again this season participated in the Club's Youth Engagement Program Leadership Camp, and other club arranged Y.E.P. activities, building their foundations within the club.

The club's relationship with The Smith Family as the major reliable referral source for new potential beneficiaries remains strong, and the club continues to benefit from that relationship.

To assist the Foundation to continue to self-fund their programs, the Club's Board of Management has agreed to identify our annual mid-year Golf Day (August), as a fundraiser specifically for the Foundation.

It is the Foundation Committees intention to promote and develop this annual event to rival our other annual Golf Day (Miss Surf Girl Golf Day- January) in popularity, and to make it another of the Club's "must attend" community events on the Sunshine Coast.

A big thank you to the Foundation Committee members - Nick Clatworthy, Bernie Duncan, Peter Aiken, Phil Lyons and Jenni Belcher, for your input throughout the season past, as we continue to provide valuable support for the disadvantaged youth of the community, and to perhaps shape their future through their involvement with Maroochydore Surf Life Saving Club.

A timely reminder of how the beneficiaries, the club and the community have benefited from the Foundations operations since commencement in 2004 follows:-

- Our first ever beneficiary obtained his Bronze Medallion with the club, and went on to join the Australian Defence Forces, and continued as a patrolling member with Arcadia Bay Surf Club (Magnetic Island). He still visits from time to time to say hello and express his thanks.
- A vision impaired youth advanced to a role of Radio Operator (supported) within the club, to help him on the way to fulfilling his dream of a role within the Media.
- Eleven beneficiaries have progressed to obtaining their Bronze Medallions, and become patrolling members of the club.
- One current member is a holder of the Surf Rescue Certificate Award.
- One Bronze Medallion recipient progressed to the role of School Chaplain at a local school, providing valuable support to students.
- One of our young beneficiaries has been a member/recipient of the Most Efficient Patrol Award two seasons in a row, as well as being the recipient of the Most Outstanding Cadet Patrolling Member.

On the competitive side, the Foundation has also provided past support for two State Champions- one also the recipient of the Most Improved Competitor Award, and who also visited our sister club in Japan- Shimoda SLSC as a Maroochydore SLSC club representative, and another who was also an Australian Surf Life Saving Championships Team Gold Medallist.

Foundation benefactor Mal Pratt would no doubt be proud of the efforts/achievements of those above mentioned Foundation beneficiaries whose future he has helped shape, and I know all Foundation beneficiaries are grateful for his past and ongoing support.

# General Manager's Report

## Lindsey Palmer

I am pleased to present an update as the General Manager of Maroochydore Surf Life Saving Club Inc. for the year ended 30th April 2017.

The Board of Directors have invested an enormous amount of time and energy on the club's future this year with its strategic plan. Identifying goals and priorities, as well as measuring the club's success against targets, while reflecting a strong commitment to excellence in operational and management areas. Maroochydore SLSC is conscious of the need for a strategic plan that meets the needs of the community and its members. The club is a valued protector and an icon of the shire's coastline, allowing residents and visitors to swim safely at Maroochydore Beach.

At the 2017 Keno and Clubs Queensland Awards for Excellence held in March, the team celebrated a year of hard work and achievements, maintaining accolades in three strong categories. Placing 2nd for both Best Surf Life Saving Supporters Club and Best Gaming Venue (Small), and 3rd for Best Event Facilities and Services. This is no mean feat when looking at the competition across all categories and the high standards venues are now upholding across the industry.

How we use and optimise the technology we have in place to service our members into the future has also been a focus for us this year. Recent upgrades have now been made to the scanners on the front desk to improve the customer

experience when signing-in and annual membership renewals are now moving to an online payment gateway, streamlining our membership renewal process and saving thousands of dollars in postage costs. Our members will also be offered more rewards through the member's kiosks when they swipe their membership card on every visit.

Our communication to members is also evolving. A majority of members are now using various communication channels to engage, and we can now personalise our communication to members across these channels. Including monthly supporters club newsletters going out via email, sending text messages when a member has associated with an event, and across our social media channels where activity continues to grow strongly.

For the 2016-17 financial year, I am proud to say Supporter's Club membership numbers have continued to climb and we reached over 15,000 members, up from 11,000 members in the previous year. Our members experience continues to be at the forefront of our business, and raising the funds we need to go back into saving lives on Maroochydore Beach.

I know I speak for all members when I thank the Board of Directors for their vision and support over the year.

Our management team and staff are once again to be commended for their continued commitment and loyalty and I thank them for their hard work.

# Board of Surf Lifesaving Report

## Scott Steele, Director

Having served as Deputy Director for the previous two seasons, this season I embraced the formidable honour of stepping up to Director of Surf Life Saving (DOSLS). In our 101st year of operation, Club Captains and DOSLS who navigated the first 100 years have my absolute respect. It's a tough job and I've learnt a lot in the last 12 months.

There were a number of factors our Life Saving programme to address this season. These included:

1. Addressing the negative trend in active patrol members (and patrol groups) in recent years;
2. Improving quality of patrol performance;
3. Restoring our IRB fleet and depth of qualifications;
4. Ensuring all equipment was in keeping with SLSA requirements;
5. Managing first aid commitments at Ocean Street Markets, carnivals and other requests;
6. Optimising training delivery and qualify additional trainers;
7. Attaining adequate uniform inventory to meet patrol needs;
8. Making the process of finding substitutes easier when required;
9. Working with Surf Sports to optimise patrol compliance (approx. 70% of patrolling members);
10. Overseeing the recruitment and implementation of the Life Saving Development Officer position.

This is by no means an exhaustive list but rather a top 10, in terms of our focus as a Board. So how did we go?

1. Active patrolling members were comparable or slightly up on last year with around 240 all up. Patrol groups reduced by one (back to 14+ Masters). On this point, we have steadied but are not back to the positive trend we're aiming for.
2. Most patrol captains met for four meetings this season to ensure consistency of delivery, including equipment checks, uniform standards and general expectations. With inspection results of 331, 338, 338 and 340, we can be very proud of what our patrols have delivered in the Buhk-Wilkes competition this season, and in the presentation and performance of patrols in general.
3. Drew Moles stepped up as IRB Captain this year. Our programme of rotating one IRB and two motors each year was dealt a blow by the Arancia debacle a couple of years back (ie incorrect spec boats). With "Layto", "Tracey-Lee" and "Mr Toppy" being acquired in little more than 12 months, we are one IRB away from having a quality fleet of IRBs, which we will be hoping to achieve before Christmas 2017. IRB qualifications are improving. The key to this will be getting new trainers qualified to lessen the load on the Laytons.
4. Michelle Burnett has overseen our equipment compliance this season and we have not missed a single inspection point on account of equipment. Kim Musgrove can also take credit for this result as his grants have helped us to the enviable position we find ourselves in.

5. Phil Lyons continues to oversee all first aid initiatives undertaken by the club and manage the First Aid Room. We have continued to provide first aid for Ocean Street Markets and established a new two year contract this season. Ray Johnson has recently taken over responsibility for that initiative and we are now better leveraging the marketing opportunity that this presents.
6. Training is a challenge at this point for our club. Member responses to courses promoted have been poor. One bronze and one ATV course have been conducted this year in 2017. We really need members to engage in becoming trainers so that more can be offered.
7. We were pro-active in stocking uniforms prior to this season after being unable to supply all patrolling members at times last season. Chelsea and Lauren do a great job managing the uniform cupboard ongoing.
8. The "Maroochydore Volunteer Lifesavers" Facebook page has definitely helped make the process of getting subs easier. I can see who's making an effort and the success rate is pretty good overall.
9. Both Rob Elford and Nathan Greig have been consistent in their firm support for athletes to commit to patrols. The first half of the season was definitely better than the second on this point so I'll be consulting prior to next season on what we might be able to do to maintain patrol compliance across the whole season.
10. The recruitment of Ray Johnson to the position of Life Saving Development Officer, has been, in my opinion, the biggest success but also the most controversial issue of the season. As a start-up business in the competitive area of first aid, this business will take time to build but the goal is to make this position cost neutral while recruiting from the community into lifesaving and contributing to volunteer training as required.

Before signing off, I'd like to thank all BOSLS Members and Patrol Captains for their work throughout the 12 month period. Ollie Hoelscher has been a supportive Deputy Director and Patrol Captain for one of the experimental, new "full day" patrols. Ollie is also involved with youth, on the Membership Board and a Duty Officer and Wave Runner for Branch. Drew Moles stepped up as IRB Captain and continued as Patrol Captain, Noel Furrage – Radio Officer and Surfcom, Brad Kildey – Chief Training Officer, Phil Lyons – First Aid Officer, Michelle Burnett – Patrol Gear Steward and Patrol Captain, Geoff McMahon – Clubhouse Officer, Jason Childs – Safety Officer, Ben Ellwood – Ordinary Member, Youth Development Officer (Memberships Board) and Patrol Captain, Clive Herrald – Ordinary Member, Club Chaplain, Trainer (in progress) and Patrol Captain, Mike Dwyer – Club Supervisor and sharing the Life Member responsibilities was Ian Layton and Peter Lucas. The remaining patrol captains are Bruce Morris, Wade Lee, Michael Walpole, Sophie Croucher, Mike Rawlings, Kevin Williams, Nigel Ulrich, Ogilvie Thom and Narelle Souter captained the Masters patrol.

# Chief Training Officer's Report

## Brad Kildey

With the completion of another busy season for the training camp, we've seen many fresh faces to our club as well as the largest group of U14's upskilling their talents and becoming SRC patrolling members that we have seen in quite a few years.

As a club, we have completed the usual 3 Bronze courses for the season, the September holiday SRC squad as well as a number of IRBD and IRBC courses of which Ian and Tracey Layton and their support team have put through an impressive number of candidates for the season.

We have also seen the interest of new members joining the training team throughout the season, and beginning to put their skills to work on the beach and in the theory room. Thanks to Ben and Jason for keeping their interests up in this area, they too are feeling the rewarding experience of being involved in placing newly skilled surf life savers on to our beach.

There have been many new awards issued during the season, a combination of new members to the club and existing members upgrading and furthering their life saving skills. Although we have seen a visible decline over last year in members joining us this season in order to compete through surf sports as was seen last season with the hosting of the SLSA Aussies, numbers have been made-up with new faces joining and gaining awards on a purely voluntary basis. As a trainer and/or assessor, it's always extremely rewarding

to see people you have trained putting their skills to work on our beaches and in everyday life. I applaud everyone who can give up their time to donate such an integral skill to our community.

After much push (or whinging) from our Sunshine Coast CTO's, we have started to see professionally published training material issued by SLSQ for our SRC, IRB and Emergency Care courses with material for the Bronze Medallion and other courses filtering through during next season. The ease of use and professional approach this material has provided is certainly a welcome step and our support staff at SLSQ are commended for this.

With the 2016-17 season fast approaching, as always, planning and scheduling has begun on several areas including the Trainers, Assessors and Facilitators Proficiency, Junior Awards and potential new courses that may be offered to our members, and as always, planning for our numerous club Skills Maintenance days of which I would love to say that they are always a favourite!

With the completion of my 4th year in this role, I am always grateful to our Trainers, Assessors, Water Safety Crew and club Administration Staff who have contributed their time and expertise throughout the season; you are the gateway to our Volunteer Surf Life Savers and Surf Sports competitors.

I look forward to working with you all in the new season.

# IRB Captain's Report

## Drew Moles

First of all I would like to thank all of the IRB Drivers and Crewies for keeping Maroochydore Beach safe through their commitment, support, and effort in maintaining our equipment to a high standard. I would especially like to thank all drivers and crewies who stepped up and filled in on patrols when we were in desperate need, and attended carnivals to help out our Surf Sports Section. A big THANK YOU.

This season we facilitated 1 Drivers and 2 Crewie courses with 5 members attaining their Drivers Certificate and 16 attaining their Crewman's Certificate. As always a big thank you must go to Ian and Tracey Layton for their tireless work in facilitating the IRB Courses, and proficiencies at our club year after year for over 15 years – this is absolutely remarkable. These courses also would not happen without the ongoing assistance of Andrew Patrick, Stuart Travers and of course many other members who help out.

We purchased and launched 2 new IRB's this season which were named 'Tracey Lee' and 'Mr Toppo' in honour of the

outstanding work Tracey Layton and Glynn Topfer have performed at Maroochydore Surf Life Saving Club. The Club retired 2 motors and these were replaced with 2 new Tohatsu motors during the season. We would like to thank Kim Musgrove for attaining a Grant to finance the purchase of 1 of the IRB's and Motors and Westfund Health for sponsoring the other IRB and motor. This fantastic support keeps Maroochydore Beach and our river mouth safe.

This season we have endeavoured to reignite the Maroochydore Surf Life Saving Club IRB Racing Team, with the expert help of Mudjimba SLSC who are kindly training our Team. This Team is being led by a very enthusiastic Bruce Morris and Andrew Brennan, who are hopeful they will be able to attain the required IRB hours to compete in the 2017 IRB racing season.

I would like to thank the Maroochydore SLSC Administration, and the ongoing support of Scott Steele our Director of Surf Life Saving for their assistance throughout the season.

# Radio Officer's Report

## Noel Furmage

At the beginning of the 2016-17 season we saw the introduction of LIMSOC into Surf Life Saving Qld. LIMSOC stands for Lifesaving Incident Management System Operations Control. What it effectively does is record Incident, Rescue, and Beach and Water user's statistics in real time, which allows planning of asset management and resources to be much more effectively controlled.

Radio Operators at Maroochydore Surf Life Saving Club have taken ownership of the system for our club, and is operated on the iPad from the Tower on each Patrol. This works extremely well and has been well received by all Operators. We have had quite a few new Radio Operators join our ranks during the season and I'd like to welcome them and acknowledge their valuable contribution already in their short time with us.

A big welcome to Cheryl Willie, Eddie Cecchin, Danny Thompson, Max Phillips, Kerri Marrott, Meryl Todd and Barbara Emerson.

All equipment is functioning well, but it is time to complete some renovations on the Tower as the salty environment is taking its toll. Hopefully the Sunshine Coast Regional Council will see fit over the coming winter break to renew the sliding glass windows and the shutters to bring our Tower up to the standard of some of the other Towers in the area.

We held an End of Season Radio Operators Luncheon at the Club on Friday 5th May, with a fantastic roll-up of 17 Radio Operators attending, who were thanked by the President Steve Wieland and Director of Surf Life Saving Scott Steele for their efforts throughout the season. On hand also was Fay Nixon and partner Ron to present the Athol Nixon Memorial Trophy to the "Radio Operator of the Year"

### **RADIO OPERATOR OF THE YEAR AWARD**

The "Radio Operator of the Year" for the 2016-17 year is George Ritchie.

George is the Radio Operator on Patrol 12 and has accomplished a sterling job for not only that Patrol but stepping up to fill vacancies created when other members could not attend. George has also helped out at the Ocean Street Markets at the First Aid Tent. Congratulations and well done George as you have excelled in only your second season with the club.

Finally I would like to thank all Radio Operators for their dedication and commitment over this patrol season. Scott Steele and his Board of Surf Life Saving for their support and encouragement. Fay Nixon for her continued and ongoing support for all Radio Operators in her husband's memory.

I look forward to seeing you all back in September for another great season at Maroochydore Surf Life Saving Club.

# Gear Steward's Report

## Michelle Burnett

I would like to thank all Patrol Captains and their teams for taking time and care when packing up after patrol and advising myself or the Director of Surf Life Saving when equipment is damaged or faulty! The more information we receive from each patrol about the quality of the equipment makes it a lot easier to keep on top of and therefore being able to keep equipment operational for the next patrol.

This season we made a few alternations to the Patrol Trailer and the plan during the 2017 off-season is to totally update the interior of this trailer to make it more patrol friendly. We have seen the decommission of six older boards and the purchase of 4 new Bennett Rescue Boards, and a number of Rescue Tubes. The purchase of this equipment has been made possible through the fantastic efforts of Kim Musgrove attaining various Grants. I would like to thank Kim on behalf of all patrolling members for his continued

effort in this area. The Club has now purchased new patrol flags and poles, a jockey wheel, and we endeavour to keep the ATV maintained and operational.

This season one of the main issues has been the maintenance of the ATV – if we all thoroughly clean this vehicle after each patrol it will go a long way in keeping it operational. Also, remember if you find a fault in any equipment it needs to be reported immediately so it can be repaired by the next patrol or during the off-season.

In closing, I would like to thank Director of Surf Life Saving Scott Steel and the Board of Surf Life Saving for their total support in this position, the MSLSC Office Staff with a special thank you to Owen Blinco for doing our running repairs. Of course a special mention must go to Drew Moles as he has helped me with all the pickup and delivery of equipment from the Club repairers.

# First Aid Officer's Report

## Phil Lyons

It gives me great pleasure to; once again, furnish my annual report,

I would like to acknowledge the diligence in maintaining the First Aid equipment throughout the season and I encourage all members to keep up the good work.

As we all know, taking care of and the checking of our resuscitation equipment prior to commencing your patrol ensures that when a life threatening emergency occurs, we are prepared to provide the best possible chance of a patient's survival.

Keep in mind that I perform my equipment checks during the week. So if any essential resuscitation gear is used on your patrol, please advise your Patrol Captain who has access to the backup supplies and replaces the ones used as they may be needed on the patrol following yours.

I would like to acknowledge all volunteers who helped out in First Aid at the Murphy Builders, and Junior Carnivals; this year they were a great success, and this was largely due to the volunteers who gave up their time to assist, my thanks goes to all.

Whilst volunteering for these duties is very much appreciated, I can't impress too greatly the importance of honouring

your commitment as a volunteer. If you fail to attend, it puts other volunteers under unfair pressure should we experience multiple emergencies at once.

I understand unforeseen circumstances can arise that may prevent your attendance but a quick phone call to advise me would be helpful.

I believe the first impressions of an environment indicate the professionalism of an organisation and a First Aid room is no different. I ask all members to tidy up after they have treated a patient, and if the bed is used please change the sheets and pillow cases. Remember, your patient may not be the only one treated on the day.

In closing, I'd like to take this opportunity to thank my fellow Board of Surf Life Saving members, for their dedication and support, also a big thanks to our Administration Staff.

I wish you all a safe and happy off-season and I look forward to seeing you on the beach.

# Ocean St Markets – First Aid

## Scott Steele, Deputy Director of Surf Life Saving

We continued to service Ocean Steet Markets in a first aid capacity this season and have committed to another two year involvement. This very popular local initiative has been running for 3 years now and Maroochydore SLSC are very much a part of the event.

In addition to the Friday night markets, the World Festival attracted around 10,000 attendees over 12 hours. Inevitably our team's skills are put to the test in helping those in need. It was great to see so many Maroochydore clubbies there this year.

I was impressed to see some of our qualified paramedics at work throughout the year and learn from them, particularly around patient assessment and involving emergency services. Again all cases were handled professionally and organisers continue to complement the work of our members.

A special thanks to all of the members who have volunteered their time for these events. This year Gary Olive, Chris

Wadeson, Graham Davies, George Ritchie, Deb Steele, Jason Childs, Ben Ellwood, Oliver Hoelscher, Maddi Korac, Kelsey Cummings, Tegan Paul and Ray Johnson.

I take this opportunity to invite anyone interested in helping at Ocean Street to contact myself or the Lifesaving Office to volunteer and share in the fun, help the community, enjoy the social interaction and meanwhile raising money for our club.

See you soon at the Ocean Street Markets.

## Rob Elford, Director

Looking at the club from the outside others must be asking how we continually perform and rank as one of the top Clubs in the country with a relatively small team. Our success I believe is due to our Coaching programs and key personnel within the Club who give tirelessly of their time for the betterment of the entire Club. The ongoing initiatives of Surf Sports is to promote and improve its programs, to provide a diverse range of skills training in all disciplines, and continue to achieve results.

Aussies this season cut short the chance for the Senior Section to show what we all hoped would be an outstanding finale to the season. With only one day of senior water events being run our competitors sent a clear message to all that we were there to win. The U17 girls won every team event on offer (3 gold), U19 girls won gold in the ski relay, and the U17 boys won gold in the ski relay, and silver in the Taplin. Our competitors in the 2km Ocean swim won gold in the U17 boys, and silver in the Open women's with a silver medal in the U17 Female Champion Lifesaver. With all water events cancelled, and our Boat Section that had a great year not even getting to start their competition. With only beach events to continue, we won another gold in the U17 March Past on the last day of competition. (Outstanding!!)

This was arguably one of our best starts to an Aussies in Senior Club.

Our five year campaign to win the World Lifesaving Championships has been formulated, with the logistics and planning to be finalised over the coming seasons.

Our ongoing success would not be possible without the support and dedication of all our coaches both paid and volunteer. Our Team management, officials and water safety team have supported our competition teams all season. Without their efforts we would not be competing.

"Our future depends on what we do in the present".

**ONE CLUB!**

# Team Manager's Report

## Stuart Travers

The highs of our centenary year celebrations and “The Best Aussie’s Ever” hosted on our own beach meant that the 2016-17 season was always going to have huge shoes to fill.

A short period of sleeping in and lazy afternoons soon saw coaches and athletes pull out their training bags, identify the mould cultures growing on those forgotten energy snacks and head to the pool. The cold mornings and fresh wintery days in early May greeted our pool rescue squads. The move to Caboolture’s indoor pool meant training in considerably warmer water than had been encountered at Nambour in past years. Under the watchful eyes of Danny Short and John Baxter the squad has seen increasing popularity and grows in strength and numbers each year.

June saw the squad heading to Branch Pool Rescue at Kawana with podium finishes across all age groups then on to Southport in July for the Qld Championships. Two days of competition placed Maroochydore 1st ahead of big budget clubs Currumbin and Northcliffe.

In August they were back at Southport for three days of national competition, a 70 strong squad attending and again exceeding the results of many larger clubs.

August also saw us staying up late and rising early to cheer on our very own debutante Olympians Alyce Burnett and Jordan Wood. Alyce and Jordan’s progression through the rounds kept us all on the edge of our seats, Jordan finished 4th in the K4 1000m, and 3rd in the K2 200m B Final. Alyce finished 8th in the K2 500m final amid a field of accomplished competitors. Their commitment and dedication makes them great role models and wonderful ambassadors for the Black Swan.

October kicked off the surf season with State Endurance in early October closely followed by the Coolangatta Gold. The season then compressed into a blur of carnivals with the club attending rounds of Oceans 38 and Summer of Surf, then onto our own Murphy Builders Carnival, undoubtedly the biggest club carnival on the Queensland calendar. It was great to see so many people come forward to support this event both in competition and behind the scenes. It’s often those in the background that make events what they are. A sincere thank you goes to all volunteers who made this event such a success. A big thanks must also go to our sponsors. Who without their support this event would not be possible.

The New Year saw the training schedules shift up a gear in preparation for the business end of the season. Branch and Queensland Surf Rescue championships kicked it all off with a small and dedicated group led by Rookie coach Maddie Korac posting some fantastic results and qualifying for the Australian Titles.

Big seas greeted the Branch Competition at Alexandra Headlands again this year after last year’s cancellation.

Competition went ahead amongst smaller numbers than in past years with many great individual and team results. Queensland State Titles followed soon after providing strong competition before the season finale.

We moved into the Australian Titles week with great expectations. Youth and Masters competed in fine but sometimes challenging conditions provided some tight racing across all categories. The start of the Senior Carnival saw a fantastic day of competition, Maroochydore medalling in most events contested, but by 2pm things were about to change. Team Managers were called to a meeting and advised that ex-tropical cyclone Debbie was about to change the rules. All equipment was required to be removed from the beach and tent canopies removed; we were expecting 100km/hr winds and up to 200mm of rain in the next 24hrs. Thursdays forecast rang true and after gathering on the beach that morning all competition was suspended. A small group remained clearing tents and remaining craft to higher ground. Friday saw clear skies and strong winds and a sea of brown while competition remained suspended. Unfortunately later that evening all water events were cancelled due to “Water Quality”, a decision that will remain questioned for many years to come. Saturday saw Maroochydore hastily field beach relay teams in most age categories, a first I am sure and a wonderful morale builder for all involved. Sunday saw our March Past teams assemble and carry the Black Swan with pride, our U17’s taking home gold after years of dedicated training.

Although the Australian Titles was disappointing for some we did achieve some milestones:

- Most medals awarded in a single day
- Australian U17 March Past Champions for the 1st time
- The Shortest Aussies Ever
- And last but not least we now join a small and elite group of clubs having over 200 capped Australian champions in our midst.

Congratulations to all members of Maroochydore Surf Life Saving Club, Athletes, Officials, Water Safety, IRB personnel, Coaches, Support Personnel and Parents in the background. You are part of a wonderful team that achieves great things and it has been a pleasure to represent you all.

**AUSTRALIAN TITLES OPEN – 5th place overall point score.**  
**YOUTH STATE TITLES – 2nd place overall point score.**

### JUNIOR ACTIVITIES

Our Youth section of the club continues to shine with strong performances throughout the year. This season we managed to again defend our overall Club Branch Title and finish an agonising second (by 3 points) in the State Youth Title.

We started off the season with the annual “Boot Camp” at Stradbroke Island. Here the athletes bonded through the pain of hard work. From here we built into the season, progressively working on skills and fitness until we reached the championship events.

The Christmas holiday period provided a great opportunity for all members to socialise and train together. Over this period we introduced surf swimming sessions three mornings a week for the six weeks. Both the swimming and board sessions over this period where well attended with up to 50 athletes at the swim sessions and 35 at board sessions. The holidays are a great time for our younger members to grow together and challenge each other. This is largely where they will develop their surf skills and confidence in large swell.

Beau Farrell and Jake Dale assisted with the program this season. Both of these men have vast experience in the surf and racing. (Beau managed to win the Open Board Race at the State Titles this season). Passing their knowledge down the ranks has become hugely beneficial to the Youth and greatly appreciated.

Thank you to Kirk Jarrott and the Nipper committee and Age Managers. To be successful we all need to pitch-in and move in one direction, this is something we have now managed for a number of years and the great results continue because of it.

### YOUTH TITLES

We have some amazing athletes in the Youth section of the club. This year at the Youth Titles we had a mixed bag of results with not everything going to plan. But still, we managed some special racing and growth from within the team. This age group has enormous potential and have now learnt some valuable lessons about racing at the “Aussies”.

The group will get better and become stronger from their experiences. Danny Short has provided them with strong guidance throughout the year and I expect they will be a force to be reckoned with next season.

#### Gold

- Phoebe Wills- Grace- U15 Champion Lifesaver

#### Silver

- Sam Short – U14 Surf Race
- Sunny Williams – U14 Iron
- Jenaya Massie, Tamarind Wildin-Snedden, Sarah

Perkins – U15 Board Relay

- Sam Short, Sunny Williams, Kieran Webb, Hayden Swift – U15 Cameron Relay
- Dale Berry, Ben Colston – U15 Mixed First Aid

#### Bronze

- Joey McMenamin – Iron
- Joey McMenamin, Sam Short – Board Rescue
- Jenaya Massie, Tamarind Wildin-Snedden, Dominique Stitt, Sarah Perkins – Swim Teams
- Jenaya Massie, Sarah Perkins, Ebony Nikkinen, Mikayla Stuart – Cameron Relay
- Joey McMenamin- U14 Surfing

### OPEN AUSSIES

Well, this was a different Aussies to say the least. A tropical Cyclone from North Queensland developed into a powerful low and tracked its way down Queensland flooding a large portion of the State with it. Unfortunately the resulting weather provided us with only one day of competition in the water section.

One day of water competition and some absolutely fantastic racing by the Maroochydhore team! We dominated proceedings on this day and were primed to continue this form through the week. It was bitterly disappointing for the season to finish in this manner but at least we had one day to capitalise.

Upon reflection and with time to process what has happened, we should be thankful that our homes and loved ones are safe. Much of Queensland has been dealt a huge blow and the recovery effort will take months. At the end of the day we were competing in a sport that we do for enjoyment, we will have more opportunities to test ourselves in the competition arena. Like the rest of Queensland we will be back bigger, better and stronger next year.

### U17 SECTION

The U17 area smashed the competition with the girls winning every event they contested and the boys “standing up” at the time when it mattered most. Ally Clarke and Tiarnee Massie won 3 gold each in one afternoon of competition with great support from their team mates. The same girls went 1st, 2nd in the individual board race at State, with Tiarnee also winning the Iron.

Hayden Cotter picked up an individual gold in the 2km swim and the “new boys” Byron Turton and Jacob Molkentin teamed up with Matthew Palmer to win the Ski Relay. Like the girls in the board, Byron and Jacob went 1st, 2nd in the Ski race at State.

#### Gold

- U17 Male 2km Swim- Hayden Cotter
- U17 Female Ski Relay - Alexandra Clarke, Tiarnee

- Massie, Mackenzie Duffy
- U17 Female Board Relay - Alexandra Clarke, Tiarnee Massie, Shaye Travers
- U17 Female Taplin Relay - Alexandra Clarke, Tiarnee Massie, Mackenzie Duffy
- U17 Male Ski Relay - Jacob Molkentin, Byron Turton, Matthew Palmer
- U17 March Past - Lilly Andrew, Nikki Bamforth, Jamie Cotter, Tegan Paul, Kiara Kliese, Claudia Korac, Sarah McGrath, Ashleigh Patrick, Ashleigh Rainbow, Isabella Shipp, Phoebe Wills- Grace

#### **Silver**

- U17 Male Taplin Relay- Matthew Palmer, Hayden Cotter, Byron Turton
- U17 Champion Lifesaver- Hamarna Williams

#### **U19 SECTION**

The U19 girls had a good day of racing on the Wednesday of Aussies. Winning the Board Relay, claiming Bronze in the Ski Relay and finishing 4th in the Taplin Relay.

The girls have enjoyed a good season winning team and individual races throughout the year. We had 3 girls in the State Iron final with Drew Beveridge leading Bay Wildin-Snedden into the final swim leg and Chloe Travers close behind in 4th. Bay went onto to win the race and all girls looked set for a big Aussies.

#### **Gold**

- U 19 Board Relay- Bay Wildin- Snedden, Chloe Travers, Drew Beveridge

#### **Silver**

- U19 First Aid- Clayon Burnett, Zoe Meredith- Brown

#### **Bronze**

- U19 Female Ski Relay- Chloe Travers, Drew Beveridge, Bay Wildin-Snedden

#### **SENIOR CLUB**

The senior section of the Club had only one opportunity (Ski Relay) to race a final at Aussies. This wasn't to be the Girls year but with a team this strong they will be hard to beat next season.

Beau Farrell broke through for a maiden Open Board Title at the State Titles. Leading from start to finish in a dominant display on a board he shaped himself!

The Boaties absolutely smashed the State Titles winning The Open Female, Men's Reserve Grade, U23 Female, and were a part of the winning Lifesaver Relay. An amazing effort by the boat section and even more so by Michael Brooks who swept all of the crews to victory.

#### **Silver**

- Open 2km Swim- Kelsey Cummings

#### **Bronze**

- Open First Aid- April Burnett, Zoe Meredith – Brown

#### **AUSTRALIAN & QUEENSLAND TEAM REPRESENTATIVES**

Maroochydore achieved a strong selection in the representative arena this season with Pam Hendry, Sam Bell, Chelsea Gillett and Cody Rychvalsky (youth) all selected in the Australian Lifesaving Team to contest the 2016 Lifesaving World Championships in the Netherlands.

Pamela was an individual gold medallist winning the 100m manikin carry and picking up to 2 silver medals in the 4x 50m Obstacle and Medley Relays.

Chelsea was part of the winning beach relay, came 2nd in the Obstacle and Medley Relays and 3rd in the 100m Rescue Medley.

Sam finished just outside the medals with a 4th in the Super Lifesaver and Rescue Tube Rescue events.

Cody was back to his best taking out the Youth Beach Sprint!

Our Queensland Team Representatives were; Sarah Perkins, Dominique Stitt, Oliver Monaghan, Joseph McMenamin, Sam Short, Jenaya Massie, Adam Palmer, Tiarnee Massie and "The Force" Reserve Grade Boat Team. All athletes performed extremely well at the Interstate competition helping QLD take the Title.

#### **CONCLUSION**

This has been another great season with a fantastic group of athletes, coaches and support staff from those in the kitchen to the Board of Surf Sports all pitching in to help the program run smoothly.

The athletes have managed to build on last year's training effort and continue to head in the right direction to achieve their goals. The strength of our club lies in the effort of the support group and the attitude, discipline and desire of the athletes to get the job done. Ultimately the athletes are the future of our club and will largely shape the direction we go in as a competitive unit. The more the "athlete" performs and has a hunger for the success the more we (one club) need to do to support them.

We are on the way up as a competitive force and fortunate to have some great role models here to assist in shaping the future. Remember; "age is not a barrier to leadership" especially for those who lead by action.

Thanks to everyone for the season; especially the coaches. You are on the ground with me each week ensuring the program evolves and assisting our members become better athletes and people.

# Ski Captain's Report

## Todd Grace

The 2016-17 season unfortunately delivered a huge anticlimax at a time where Maroochydhore was ready to show the rest of Australia what it had!

Before the cancellation of the Aussies, the lead-up competition results and depth of the ski academy was just outstanding. The great job that Rhys has done with our team has resulted in a very solid State titles, and an exceptional Aussies for those who did get to race in the shortened program.

Specific ski related results are as follows:

### AUSTRALIAN SURF LIFESAVING CHAMPIONSHIPS:

#### Gold:

- U17 Male Surf Ski Relay – Jacob Molkentin, Matthew Palmer, Bryon Turton
- U17 Female Surf Ski Relay – Alexandra Clarke, Mackenzie Duffy, Tiarnee Massie

#### Bronze:

- U19 Female Surf Ski Relay – Drew Beveridge, Chloe Travers, Bay Wildin-Sneddon

### QUEENSLAND STATE TITLES:

#### Gold:

- U17 Female Surf Ski – Mackenzie Duffy
- U17 Male Surf Ski – Bryon Turton
- U17 Female Surf Ski Relay – Alexandra Clarke, Mackenzie Duffy, Alicia Fay
- U17 Male Surf Ski Relay – Jacob Molkentin, Matthew Palmer, Bryon Turton
- U19 Female Surf Ski Relay- Drew Beveridge, Chloe Travers, Bay Wildin-Sneddon

#### Silver:

- U17 Male Surf Ski – Jacob Molkentin
- Open Female Surf Ski – Alyce Burnett
- Open Female Double Surf Ski – Alyce Burnett, Brianna Massie

#### Bronze:

- U19 Female Surf Ski – Bay Wildin-Sneddon

As you can see, our age group members well and truly dominated the field this year, which would have made for some very interesting single ski racing had the Aussies continued! In addition to these achievements, we seemed to have stumbled across the secret in “how to turn a swimmer into a ski paddler” with Matthew “The Machine” Palmer stepping into the ski relay team and paddling so well, he might have to take it up full time!!! Reminisce of the “Jake Dale” times!

On another note, the ski squad is increasing in size dramatically with the club retaining a large number of youth from the nipper ranks who are now coming into ski paddling age. This is fantastic but also provides a challenge on resources. Thank you to those who have been patient with ski spaces – it’s going to be twice as hard this year with even more youth coming through and we only have a limited number by comparison.

We are working through solutions at the moment but preference will need to be given to competitive and regularly training members. From a coaching perspective for the new paddlers coming through, we identified a need for a beginner’s coach to help build enough skills for the youth to confidently join Rhys’ squad. Kat Egan stepped in as a Youth Development Ski Coach and did a great job last season.

To assist in this development, I have secured sponsorship for paddling ergos that will be housed at the surf club gym. These are used for technical sessions, currently held on Friday afternoons with the youth and have been well attended. Getting the technique right on solid ground is proving to be a great asset on the water. Many thanks to Sunshine Coast Council Discretionary Grants, Cr Jason O’Pray, Kim Musgrove and Mal Pratt for their commitments to the ergo project.

I can’t sign-off without making mention of the incredible achievements of 2 of our key ski paddlers making the Australian Olympic Team. You have both left an indelible footprint on the club and the time you have given over that period to help encourage our younger members.

With the kayaking depth in our club and with more members being selected as part of the Olympic Hopes and Australian Kayak Teams (Mackenzie Duffy, Tiarnee Massie, Alicia Fay, Brianna Massie, Alyce Burnett and Jordon Wood) for the World Champs this year, I reckon we might need to start booking tickets to Tokyo!

Well done Maroochydhore, you have made it a year to remember!

# Board Captain's Report

## Jake Dale

As the daylight gets shorter and shorter, and my pen hits the paper to summarise another year of board paddling prowess by members wearing the mighty blue, black and white cap. I look back at a season that didn't end quite the way we would've liked but nonetheless, it was not without strong and consistent results across all age groups at the premierships carnivals.

It was evident in the Board Relay bonanza, where we won the U17 and U19's with a 2nd in the U15 Female Board Relays before Aussies was cancelled.

The training cycles as usual developed by our coaching coordinator Nathan allowed the seamless flow through Christmas and into the pointy end of the season which saw us collect loads of points at State titles individually. Tiarnnee Massie and Ali Clarke showed how it's done in the U17 Female Board Race grabbing gold and silver. It was great to see Beau Farrell take out the Open Men's Board on a board he shaped himself.

I guess for me as I get older, I take great enjoyment and satisfaction from attending board sessions with both the Junior and Senior club to help fellow club members grow and achieve whatever goals they set for themselves in an athletic environment. I feel that by doing this with the help of the previous Board Captain Beau Farrell that we are creating something truly special that doesn't exist elsewhere in any other Lifesaving club on this continent.

# Beach Section Report

## Glen Wilson

The "Main Roads" title is often given by commentators at carnivals to cover their confusion of what happens on the sand. So let me offer an insight into what goes into preparation for 'beach events'.

Sprints and flags both require the body to move at maximum velocity. Our training goals are Speed, Strength and Agility. Inherent in those values is the danger of serious injury.

Why do we do it? The event is always a challenge that has to be answered in a very short space of time and there is very little room for error. A fraction of a second lost at the start or a foot landing in a hole can make a big difference at the finish line.

Our training sessions are short but intense. Through the season, we train on the "short to long" theory. We try for maximum acceleration over the first 20 meters (vital for flags) and build on stride length for the rest of the race.

Because our training is structured this way we don't follow the usual "periodisation" method. We always warm up with technique and mobility drills then cycle through the other components on a weekly basis.

As a rule of thumb our training is at 80% until we are three weeks out from a major competition then we ramp up to 100%. Hopefully that keeps us injury free and fresh for each session.

The Senior Beach Group are all aware of our training program and can take over from me at any time. We collaborate on performance goals and training needs which keeps our team in the top end of the beach competition.

## Swim Captain's Report

### Nikki Chapman

To say that the end of this season was an anticlimax would be an understatement! Fortunately for the swim section, the few individual events that were able to go ahead at the Australian Titles were the 2km Ocean events and the competitors that we had entered certainly did Maroochydore proud. In the Women's Open category it was the American newcomers that dominated the event with Kelsey Cummings placing 2nd and Hallie Petersohn placing a very noteworthy 5th. Hayden Cotter was the sole male Maroochydore competitor and he undoubtedly stamped his authority as a very promising up and coming swimmer. He not only won his age category but also clocked the overall fastest time.

We will not ever know what was to be at the Australian titles; however, from my observation one could assume that we had several competitors that looked very promising. One of my personal favourites is Tiarnee Massie who placed 2nd in the U17 Surf Race at the State Titles (among a collection of other placings in her numerous events). Throughout her whole season she was consistently either winning or close to it and anyone who has seen her train can acknowledge that everything she gains is very much deserved due to not only her natural talent but more importantly, her work ethic and dedication.

This season saw the return of the club swim which was successful in bringing the young, the old and everything in between together

to enjoy some good old-fashioned club spirit and healthy competitiveness. This club definitely has some high calibre swimmers. With the talent that the junior club is producing, it's a great opportunity for their knowledge to be passed on to this younger generation so that we can continue to grow, develop and to have every section of the club as strong as possible, after all we are 'one club'.

On that note I will leave you with a quote that I love from Mia Hamm, "Somewhere behind the athlete you've become and the hours of practice and the coaches who have pushed you, is a little girl who fell in love with the game and never looked back... play for her". As always, it has been a pleasure being involved with this club. I look forward to the new season ahead.

## Masters Liaison Officer's Report

### Larissa Hallam

Thank you to all Maroochydore Masters for a wonderful 2016-2017 season. Whether you train for competitions, train for fitness, support the club at carnivals by officiating, providing water safety, or setting up carnivals or support the club in some other way, all the Maroochydore Masters input this season has been extraordinary.

We have been blessed with fantastic conditions this season, with only a couple of hairy carnivals but the calibre of the Maroochydore Masters continues to amaze me and the club. This club strives on sustaining current members and welcoming and sustaining new members. We have had a number of new Masters join the club this season and we welcome you.

We have competed in five carnivals this season in which we managed to snap some great team pictures.

Thanks so much to Ian Jobson for his fantastic board training sessions on Saturday mornings. This commenced with introduction to board sessions in the river before progressing to surf skills sessions. This was great training and once again Jobbo has shared his finely tuned board paddling skills with others. Thanks Jobbo you're an amazing motivated and coach.

Thanks also to the numerous ski paddling support groups out there which were utilised by our Masters, in particular Dan Draper and Kat Egan. Also thanks to Mal Pratt who has recently commenced a ski paddling group for beginners and intermediate paddlers.

I am continually inspired by every member of this club and the Masters group has been fun to train, compete and socialise with.

# Boat Captain Report

## Michael Brooks

As Boat Captain I have many goals for the section outside of results on the beach. The culture of the section is very important to me and it is humbling to have such a great bunch of members who make life very easy. We are a small but dedicated group and probably the most 'bang for your buck' boat section in the country. Our best result as a section was winning 5 state gold medals and a bronze medal, from only entering 6 divisions.

### Section Awards:

*Boat Person of the year - Bob Stone.*

Bob provides enormous support for our section every week, he provides much needed coaching to crew members and sweeps, he travels to Brisbane to train crews and often transfers boats to Sydney so we can all race.

### Most improved crew of the year - Amazons

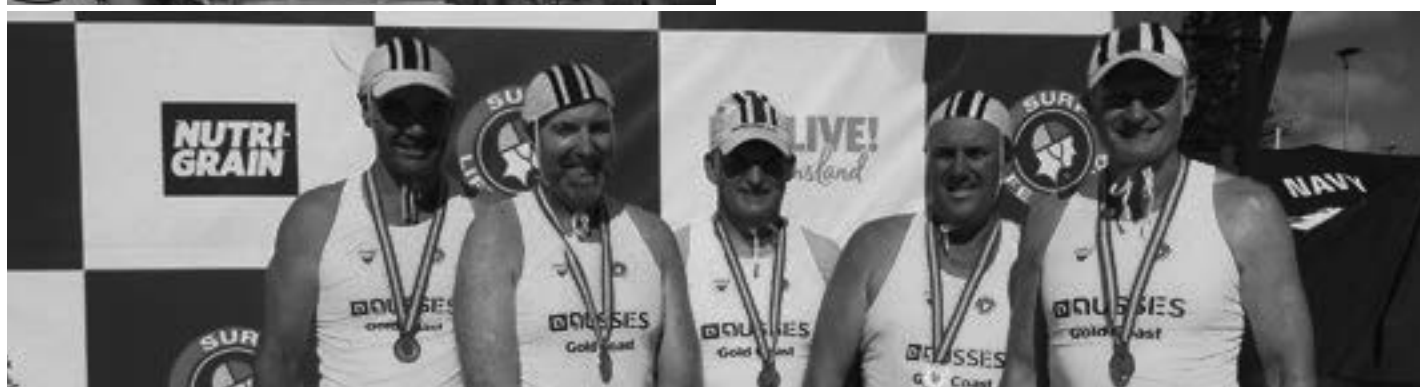

The Amazons as a crew weathered a large storm in the beginning of the season to climb to one of the best crews in the country, their dedication to training is to be commended as the crews residences are spread from the Gold Coast to the Sunshine Coast.

### Crew of the year - Force Reserve Men

These guys commitment to the Force group as a whole is extraordinary, 2 standout results were making the QLD team and winning the QLD title. They represented the club well especially with Corey Stone being named the QLD Cyclones Boat Captain. The crew showed a level of stability that highlighted the culture all crews should aspire too.

### Most Outstanding Result - Amazons

The Amazons had many good results this year, but there is no denying the elite level of the Open Division and their performance at this year's professional Ocean Thunder Series R2 was outstanding.

# Pool Rescue Championship Report

## John Baxter & Liam Short, Coaches

The Maroochydore Pool rescue team once again had another successful pool rescue season showing their strength on the State, National and World stage.

The 2016 season results are highlighted below showing us to be the Branch and State champions and the Australian Titles runner-up.

This and the upcoming 2017 season will prove to be important momentum leading into Maroochydore's 2018 World Titles campaign with the vision of bringing us back onto the world stage. It has been over 15 years since our heyday of back to back WORLD CHAMPIONS. 15 years is too long!

Four of our competitors made the greatest achievement one can do in their chosen sport, by representing Australia at the World Titles in the Netherlands. Well done and sincere congratulations go to these competitors who have made it to the highest level of life saving.

### THE 2016 LIFE SAVING WORLD CHAMPIONSHIPS IN THE NETHERLANDS POOL RESULTS

- Pam Hendry  
1st 100m manikin carry  
2nd 4x50m obstacle relay  
2nd 4x50m medley relay  
4th 100m manikin tow
- Sam Bell  
4th 200m Super Life-Saver  
5th 100m manikin carry  
6th 100m manikin tow
- Chelsea Gillett  
2nd 4x50m obstacle relay  
2nd 4x50m medley relay  
3rd 100m rescue medley  
4th 200m freestyle with obstacles

Pam (Captain), Chelsea and Sam have recently been selected again in the Australian Team to compete in Poland in July 2017. Congratulations especially to Captain Pam!

### QLD POOL RESCUE CHAMPIONSHIPS

*Gold Coast Aquatic Centre 9-10 July 2016*

On the Saturday our nippers were a dominating force across all age groups. There were a few occasions where we took out 5 of the top 6 point scoring places. This gave us a huge lead at the end of day one and set us up for the senior age groups on day two. With a senior team of only 10 competitors, Sunday saw us win more valuable points which abled us to hold out the opposition to secure our victory. The medal tally at the end of the competition saw us come home with 36 Gold medals, 25 Silver medals, 12 Bronze medals and numerous minor placings (4th – 6th).

### 2016 Overall Queensland Championship results:

1ST	MAROOCHYDORE	476
2ND	CURRUMBIN	426
3RD	NORTHCLIFFE	267

The Queensland Interstate Team was selected after the Queensland Pool Rescue Championships. Seven Maroochydore athletes were chosen to compete at this event. These athletes were Sam Bell (Captain) Hayden Cotter, Chelsea Gillett, Kurt Lorme, Pamela Hendry (Captain) Summer Short, Hamarna Williams.

### AUSTRALIAN POOL RESCUE CHAMPIONSHIPS

*Gold Coast Aquatic Centre 5-7 August 2016*

Australian Pool Rescue Championships were held in August at the Gold Coast Aquatic Centre at Southport. Maroochydore has always had a strong presence at this event, and this year has been no different with 55 athletes competing at this three day event.

We finished 2nd overall against a massive Currumbin team. National records fell all weekend with our own competitors breaking their fair share of records along the way. A special mention must go to Chelsea Gillett who broke the Youth World Record in the 100m Rescue Medley.

### 2016 Overall Australian Championship results:

1ST	CURRUMBIN SLSC
2ND	MAROOCHYDORE SLSC
3RD	NORTHCLIFFE BMD SLSC

The Interstate Team competition was held in conjunction with the Australian Pool Rescue Championships. Queensland edged out New South Wales to take out this competition. Congratulations to Sam Bell (Captain) Hayden Cotter, Chelsea Gillett, Kurt Lorme, Pamela Hendry (Captain) Summer Short, Hamarna Williams in helping steer Queensland to victory

### 2016 Overall Interstate Championship results:

1st-	Queensland
2nd-	New South Wales
3rd-	Western Australia
4th-	Victoria

Training will commence on the 6th of May at the Caboolture Aquatic Centre. This is another major step in our 2018 World Titles campaign.

**Remember – 15 years is too long !!**

# March Past Team Report

## Ralph Devlin, Bill Scott & Kara Wills

The Seniors re-formed for 2016-17 after the excitement and drama of our Centenary Season. We marched at the Murphy Homes Classic in December, also Branch, State and Aussies for a series of podium finishes (in all but the Aussies!).

It was a thrill to be announced as the State Silver medallists, but a messed-up score card was reassessed and delivered us the Bronze medal after all, behind the Alex men and Alex women's' teams. Congratulations to them. We seemed to march better this year, the scores showed some improvement and consistency; thanks to Bill Scott's patient coaching we finished full of enthusiasm for next season. Our final Aussies squad was:

Paul O'Brien, Narelle Souter, Kirk Williamson, Ralph Devlin, Steve Wieland, Steve Ellwood, Mike Dwyer, Paul Boulton, Michelle Burnett, Fiona Meredith, Toni Pettigrew and Larissa Hallam. Our Reserves during the season were: Bill Scott, Jason O'Pray (!!!), John Baxter, Fran Boulton, Paul Thomas, Jim Graham and Sarah McGrath, thanks folks.

A special thanks also to Paul Boulton for your assistance with the Seniors' gear and for your enthusiasm for the event. Thanks to Team Manager Stuart Travers for your support. Len Harris also helped out with decent-looking belts.

### AUSTRALIAN CHAMPIONS!!!

Of course, we leave the best until last - our magnificent Under 17s worked hard under Coach Kara Wills, assisted by Kylie McGrath, and took out Aussies Gold in their division. How good did they look and how richly deserved was the result - our first-ever March Past medal of any colour at Aussies.

This team has been building for some years, with the majority having worked their way through the Nippers March Past Program since their U10s and U11s years. They have won many Branch and State medals over that time ... twice coming in 1st equal at State Titles, and only to be relegated to a lower coloured medal on countback. It is wonderful to see all the hard work that these kids have put in over the years pay off in the best possible way.

For the record, our magnificent Team, Gold Medallists all:

Phoebe Wills-Grace - Standard Bearer and Under 15 Australian Champion Lifesaver, Sarah McGrath - Belt, Ashleigh Rainbow - Reel, Party Kiara Kiese - Reel Party, Claudia Korac-Stevens - Reel Party, Nikki Bamforth - Reel Party, Ashleigh Patrick - Drum, Lilly Andrew - Drum, Ebony Nikkineen - Backline, Tegan Paul - Backline, Isabella Shipp - Backline, Jamie Cotter - Backline, Kara Wills - Coach, Kylie McGrath- Assistant Coach : got the Gold on the day but had to hand it over!

The Seniors had finished their March and were 'at ease' next to the Pipe Band when the Under 23s and Under 17s marched down the main straight in front of us. The Black Swan Under 17s looked really good, but none of us dared to hope, so the announcement was a wonderful moment for both teams and all of our parents (not the Seniors' parents, the Champions' parents!).

Bring on Perth 2018, when all team members are still qualified to defend their Championship. And the Seniors will have an early meeting to commit to Perth as well.

This 2016-17 Season will mark a watershed for our Club in the difficult art of March Past. Thanks to everyone for your support, especially our Coaches, Bill Scott and Kara Wills.

# Maroochydore SLSC-Shimoda LSC Exchange Program Report

Peter Dunn, LSC Exchange Coordinator

The Shimoda Program will celebrate its 20th Anniversary in the 2017-18 season, and what a wonderful program it has been for both Shimoda and Maroochydore Surf Life Saving Clubs.

At Maroochydore we have shared many wonderful experiences including bronze medallion training, surf sports training, visiting local attractions including Australia Zoo and Underwater World, dinners hosted at many Maroochydore members' homes, and great times in and around the surf club with our members.

Over 60 Maroochydore members have visited Shimoda, living, training and patrolling with Shimoda members, and also sightseeing around Shimoda, Tokyo and beyond, always warmly welcomed by our Shimoda hosts.

In December 2016, Mr Kuniaki Eda President of Shimoda LSC visited Maroochydore, meeting with Maroochydore President Steve Wieland to promote the ongoing development of our great relationship, as well as joining in training and social functions.

Maroochydore youth members are very involved in the program and in December several Maroochydore youth members shared the dorms with Shimoda members throughout the camp, and approximately 40 Maroochydore members joined with Shimoda in a fun tennis afternoon.

A number of our Life Members hosted a dinner for the Shimoda team, and organised a surf boat row in the river, which was a highlight for the Shimoda team visit. As always, many Maroochydore members volunteered to assist with the program to provide training, meals, and social events our visitors.

To celebrate the 20th anniversary, Maroochydore has the opportunity to send 6 members to Shimoda in August which will be a rewarding and unforgettable experience. We will be looking for other opportunities throughout the year to make 2017 another great year for the program in it's 20th anniversary year.

# Board of Junior Activities Report

Kirk Jarrott, Director

Thank you to everyone for their contribution and support to the Maroochydore Nippers for the 2016-17 season. We were certainly blessed by some remarkable weather and surf conditions to match this year. This season saw the re-election of a majority of the previous season's enthusiastic Junior Activities Committee (JAC). This allowed for consistency and further improvement in co-ordinating specialised surf skill development for all Nippers at our ever challenging open beach.

I'm proud to report that our Nipper program delivered an extraordinary level of surf awareness and skill maintenance in the surf this year and it is an absolute credit to every Age Manager, Assistant Age Manager, Coaches and all those who get sand on their toes. Thank you to all parents who worked alongside the JAC and Age Managers throughout the season. Without these extra hands we wouldn't be able to deliver such an enjoyable organised safe beach environment.

The safety of our 292 enrolled Nippers was again dominant this year and was achieved by increasing our Water Safety numbers. However, we can't have enough HELP so I encourage all parents who would like to get up close to the action on Sunday's and Nipper carnivals to keep an eye out for courses in IRB drivers/IRB crew, Water Safety or an Official course next season.

A special thank you goes to our Chief Training Officer Brad Kildey, who enabled us to qualify our entire nipper rank and file towards proficiency and to qualify our U14's with their SRC award. These qualifications are the foundation for our Nippers to become future lifesavers. We have a new energised group of U14's that are coming through this year who will be attaining their SRC in the September holidays and then start their journey on Patrol.

## SUNDAYS AND WORKFORCE

Again this year the Patrick family were massive contributors to our Nipper program success with Helen organising the BBQ, and husband Andrew casting a watchful eye over our Nippers from the IRB. I'd like to thank the Kiosk Crew including Nikki, Anne, Dale and many others who assisted to refuel our Nippers on Nipper Sundays and selected Nipper carnivals.

I'd like to thank all Nipper families who assisted with setting up our arena every Sunday. A big thanks to Wayne Spindler who was our carnival co-ordinator who did a great job for our AMart Carnival. Also a big thank you to carnival sponsors AMart.

I'm equally grateful for the efforts of the hard working committee namely:

- Deputy Chair – Jason Bristow;
- Treasurer – Andrew Patrick;
- Secretary – Natalie Jarrott;
- Team Manager – Steve Rychvalsky;
- Gear Steward – Brett Shuttleworth;
- Coaching Co-Ordinator – Brad Stark.

Also this year we have seen an enormous effort and combined success of our office holders including:

## Junior Positions:

- Nipper Coach – Nathan Greig (Bugsy);
- Swim Coach – Nathan McGrath;
- Board Coach – Damien Andrew;
- Beach Coach – Glen Wilson;
- Mast past coaches – Kara Wills/Kylie McGrath;
- Nipper Board coaches – Beau Farrell, Jake Dale;
- Director of Surf Awards – Brad Kildey;
- Officials Co-ordinator – Jo Kliese;
- Carnival Co-ordinator – Wayne Spindler.

## Age and Assistant Age Managers:

- Cadets – Danny Short / Lisa Andrew / Toni Pettigrew;
- U13 Rob Boughton/Kristy Rychvalsky/Mick Casey;
- U12 Jason McGrath/Brad Stark/Todd Grace;
- U11 Natalie Jarrott/Larissa Hallam;
- U10 Brooke Starr-Thomas, Luke Hembry/Sarah McGrath/Tracey Wischusen
- U9 Clint Irwin, Glenn Pickering, Peter Halfweeg
- U8 Steve Rychvalsky, Shannon McGrath, Wayne Spindler;
- U7 Simone Irwin, Glen Pickering, Corey Schuhen;
- U6 Fiona Meredith/Dr Dan Draper/Daniella Driscoll;

### CLUB CAPTAINS

This season our Club Captains were Lilly Andrew and Oliver Monaghan who are to be congratulated on their leadership for the season. Well done!

### CARNIVALS

We continued the carnival season as we left it last year with some amazing results right across all age groups. Maroochydore Nippers did our club proud with their gracious conduct in defeat and in victory this season. There were so many strong results this year, too many to mention and the skills displayed were incredible to witness.

The knowledge and experience that our coach Nathan Greig (Bugsy) brings to our Nippers at any training session is second to none. His expertise and delivery of surf skill enhancements is simply illustrated by how well our Nippers go in and out of the surf with incredible skill. So thanks Bugsy for your wonderful input throughout the season. To other specialised coaches Beau Farrell and Jake Dale thank you for your valuable input and expertise.

Our success this year was helped by our “second most successful” Team Manager Steve Rychvalsky, (combining with Jo Kliese) ensured we had enough officials, IRB crews, entering our athletes on time, changing of teams, venues and a long list of other jobs that comes with this massive task. Thank you very much for all your hard work.

Summing up, participation is the key to our club’s ongoing success from Sunday morning Nipper sessions to running the BBQ, officiating at carnivals, just to name a few ways our members “participate in” our Nipper program. So thank you for all your support.

I strongly feel that each and every Nipper benefited from everyone’s combined commitment and this flowed to each Nipper having a go and doing their best.

Finally, I wish all members and their families a safe and happy off-season and look forward to seeing everyone again next summer.

# Board of Marketing and Promotions Report

Fran Boulton, Director

It has been a very busy year for our dedicated Marketing and Promotions team. With the cost of living increasing every year and most household and business budgets at bursting point, raising funds for any charitable cause is never easy. Surf Life Saving is no exception.

Fortunately, we have many generous people and organisations in our community who support and sponsor our club in many different ways, large and small. Without their help, it would be impossible to keep Maroochy Beach safe. Funds raised enable the Club to provide the equipment and training necessary for our Surf Life Savers to maintain our core activity of beach patrols. Therefore, it is important that we are actively out in the community seeking opportunities to attract sponsorship dollars. Although money is tight out there, we have been indeed fortunate to secure support from many sources, and for that we are very thankful.

Firstly, I would like to thank our largest donor, Maroochy Surf Club, our licensed Club. Without Maroochy Surf Club and all of the people who support it, our job would be almost impossible.

During the course of the year we have our own fundraising events here at the Club and with the hard work of our members they have grown into very successful and profitable events. Our annual Surf Girl Golf Day in January, as well as our Golf Day in August, was held at the Maroochy River Golf Club, which is always a popular day and one of our most profitable events, with many sponsors and players coming to play.

The Sports Luncheon in July and Race Day in August were well attended and successful, which raised much needed funds. We hope that these two events will have you all out there, rushing to buy tickets for this year's Luncheon and Race Day. Our Sports Lunch this year will be, one of the most exciting ones that we have put together. The theme for this year's lunch is IRON LEGENDS, the legends that we will be bringing together for this event are, Courtney Hancock, Trevor Hendy, Shannon Eckstein, Wes Berg, Matt Bevilacqua and our own Rhys Drury with our Life Member Jason O'Pray as our very valued MC for the afternoon.

AMart Sports Junior Carnival, on 19th November, 2016, was a great success, as we had perfect weather for the children, unlike last year's event.

The Murphy Homes Maroochy Classic was held on 21st and 22nd January; we had two great days of competition. It was very successful as far as the competitors were concerned, as there was great prize money to be won. This year, besides Shannon Eckstein, there were other Ironmen of note competing, which was great for the carnival.

Murphy Homes were very happy with the outcome of the Carnival this year. We now have a new sponsorship agreement with them. It is a five year agreement, starting with a two year agreement; the third year would be subject to a review and with an option for a 1+1 year sponsorship arrangement with Murphy Homes. This is something Wade and I have worked very hard to achieve and we are absolutely delighted for MSLSC that Murphy Homes will

continue sponsoring the Carnival well into the future.

Our final fundraiser for the calendar year is the Maroochy \$10,000.00 Draw in December. This was once again a very successful afternoon, with the changed format proving to be very successful. It was a great afternoon and a good way to meet up with Club friends before Christmas and have a drink with them.

We have been very fortunate to have had a Summer Surf Girl this year, Darcey Starr-Thomas. Darcey has worked very hard over the last nine months, as our representative in this competition and has done our Club proud. Thank you very much Darcey and we wish you every success for your future endeavours.

Over the last twelve months we have managed to maintain most of our current sponsors and add several more to our current list. In the past twelve months this Board has managed to raise \$149,376.00 with sponsorships and fund raising events here at the Club.

As I have been on this Board since Stan Wilcox passed away in 2003 and Director for the last five years, and before that on the Administration and Membership Board, I have decided that it is time for me to step down from the Board of Marketing and Promotion. I feel that it is time for someone else to bring new and fresh ideas into the position of Marketing and Promotions. I have thoroughly enjoyed my time on the Board of Management and the things I have been able to achieve over that time. I hope that the Club will call on me in the future; to help in whatever capacity that comes along. I will be staying on the committee for Shimoda, as I am very passionate about this programme and its future in the Club.

Finally, I would like to acknowledge my team of the past year. To Larissa Hallam, Vicki Cunningham, Life Member Wade Lee, Carnival Organiser Wayne Spindler, my sincerest thanks for the time and energy you have put into your roles over the past twelve months. Without your advice and assistance my role would be impossible! I would also like to thank Steve Wieland, our President, and the Board of Management for your continued support. Also thank you to Lindsey Palmer, Melissa West, Jodie Crowther, Lauren Mulholland and Chelsea Roxburgh. I have sincerely appreciated all the assistance that you have given to me over the past year.

# 2016-2017 Season: 'History' is made (Again!)

## Ralph Devlin & Peter Rigby Centenary Historians

One of the unique things about Maroochydhore Surf Life Saving Club, when you look at its Annual Reports over the years, has been its uncanny ability to 'remake itself' by creating a new bit of history.

In almost every season of our 101 seasons, someone has done something extraordinary, or something extraordinary has happened, to add even more shine to a Surf Club brand which is known and respected throughout Australia and in the life saving world.

Here are just a few pretty amazing milestones that collectively shaped our Surf Club identity and tradition:

2 January 1916 - one day after its foundation, 5 rescues were performed by the first patrol. An excellence Award came from Royal Life Saving HQ in London to mark those rescues.

1916-1919 - 11 Surf Club members volunteered to fight for Australia in World War One. All 11 came home by 1919, though some were wounded.

1925-1930- Maroochydhore was the Royal Life Saving Champion Club of Queensland.

1931- Maroochydhore was the QASA 'Flying Squad' 4x100 yards freestyle relay Champion of Queensland, and led the move from 'Royal' to 'Surf' that year.

1932- Maroochydhore SLSC was the first Champion Surf Club of Queensland.

1939-1945- World War Two- 46 members enlisted in the Armed Services. 6 died.

December 1950 - Club members performed gallantly in the aftermath of a plane crash on Maroochydhore beach which claimed 3 lives.

1959 - John Rigby won the Club's first Gold Medal in Aussies competition. He was our first Olympian, being selected to swim in Rome in 1960.

1965- John Rigby was our first Australian Surf Team representative.

1967 - Maroochydhore 'Cygnets' were the first 'Nipper' Club in Queensland.

1974- First motorised rescue craft on Maroochydhore Beach.

1976- First 4WD Rescue vehicle on Maroochydhore Beach.

1979 - First full time paid Surf Club Administrator in Australia – Bard Claffey.

1980- Our first Aussies.

1982 - Our first women members - Connie Nixon, Julie Randall, Delwyn Winston.

1885- Maroochydhore holds first Masters Surf Carnival in Australia.

1987- Australia v NZ Trans-Tasman Surf Test held at Maroochydhore.

1990- Maroochydhore Queensland Champion Club.

1992- Clint Robinson- Olympic Gold at Barcelona.

1997- Shimoda-Maroochydhore Sister-Club Relationship began.

2000- Maroochydhore World Champion Club at Sydney, and again in 2002 at Florida

2001- Australian Lifesaver of the Year- Mike Dwyer

2004- 100th Aussies Gold Medal, the first was in 1959

Just a few big events in our 101 seasons....so what were a couple of big events this season, a couple of milestones? How about these?

2017- First Aussies March Past Gold- Under 17s

2017 - 200th Aussies Gold Medallist - Kara Wills-Grace, Coach, Under 17 March Past

Maroochydhore has competed in our most traditional event of March Past for at least the last 70 years, off and on. We have had some good teams at Queensland level from time to time, never winning a Queensland event but sometimes a 'podium finish'. But our team chalked up another feat never achieved before.

We call that a 'Milestone' for 2016-17!

# Board of Finance and Resources Report

Sophie Croucher, Director

On behalf of the President, I wish to present the condensed audited financial statements for the financial year ending April 2017.

The Finance Committee established a budget at the commencement of the financial year with the high level of expenditure in mind. The end result is quite similar to that projected albeit income was down on previous years and I wish to thank all of the Directors and Sectional Captains for their assistance and understanding of the budgeting restrictions throughout the year.

Our accounts as at 30th April, 2017 shows the Club's trading account balance in overdraft of \$56,216. Closing creditors of \$49,912 were carried and debtors outstanding \$2,532. Previously, the Supporters Club represents itself as a \$233,318 non-current debtor.

The Surf Club's total income for the year was \$1,534,500 and resulted in a loss of \$80,407 after depreciation of \$285,576 was factored in.

The sub-lease arrangement that was established under a memorandum of understanding with the Supporters Club resulted in rent of \$600,000 received.

Therefore, donation of \$396,762 from the Supporters Club was received which is down from \$448,707 in 2016.

The financial statements of the Club shows borrowings made up of one Commercial Bill of \$1,085,000 which was

raised for the purchase of the Sixth Avenue Property. This loan is on interest only and variable rate terms.

The second facility, a Business Bank Bill Loan of \$204,179 (at last report \$328,029) was raised for the significant renovation and is on a principal and interest reduction basis.

It should be noted that the profit and loss does not include Capital Expenditure (e.g. equipment). As per standard accounting procedures these are captured on the Balance Sheet. For this reason and to simplify the accounts, the auditor has grouped sectional income and expenditure.

This year, the Club also transitioned to a new auditor – MGI Audit Pty Ltd having put the audit out to tender following the last AGM. Further to this, the Club has also adopted a new accounting package, now operating XERO. This has meant the transfer of historical data across to the new platform and going forward we are looking forward to utilising the system for different reporting.

2016-2017 has been another challenging year with just to name a few - the Centenary Celebrations coming to a conclusion, the appointment of a new role Life Saving Development Officer and ongoing capital works required to maintain the facilities. I would like to thank my fellow Committee Members Andrew Patrick, Victoria Berry and Kirk Jarrott as well as General Manager Lindsey Palmer for their knowledge, guidance and assistance throughout the year.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2017**

**NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

**General Information**

The condensed financial statements cover Maroochydore Surf Life Saving Club Inc ("the club") as an individual entity. The club is an association incorporated under the *Associations Incorporation Act 1981* on 3 August 1983.

**Basis of Preparation**

This financial report is intended to provide users with an update of the latest annual financial statements of the club, and it is recommended that this annual report is read in conjunction with the full financial statements for the year ended 30 April 2017.

The same accounting policies and methods of computation have been followed in this annual report as were applied in the full financial statements.

The financial statements, except the cash flow information, have been prepared on accrual basis and are based on historical costs, modified where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest Australian dollar.

The financial statements were authorised for issue on 29 May 2017 by the Board of Management.

The club has entered into a non-cancellable lease with the Queensland Government for the land on which the club is operating. The lease will expire on 25 April 2031. The club also has a photocopier lease which expires on 30 June 2019, rent payable monthly in advance

**(b) Operating lease commitments receivable**

An MOU was signed between the Club and Maroochydore Surf Life Saving Supporters Association Inc ('MSLSSA') in 2016 documenting the rent to be charged for MSLSSA's proportion of the use of the Club building. As of the date of this report, no lease agreement has been signed confirming the future commitments of the rental income to be received, and therefore no operating lease commitment receivable has been disclosed.

**(c) Capital expenditure commitments**

There are no capital expenditure commitments.

**INDEPENDENT AUDITORS REPORT  
TO THE MEMBERS OF
